Welcome

“Minimal is more: Shaping the Future of Breast Surgery”

Dear Colleagues and Partners,

It is with great pleasure that we invite you to participate in a groundbreaking event in Reconstructive and Aesthetic breast surgery: The Minimally Invasive Breast Surgery Meeting, (MIB), is to be held in Paris on June 6th and 7th, 2025.

MIB will present concepts shaping the future, highlighting the latest advancements and cutting-edge techniques in minimally invasive procedures applied to oncologic, reconstructive, and aesthetic breast surgeries. Our topics will range from robotic-assisted surgery and tissue preservation concepts to how to provide a safer and faster patient recovery with the least possible medication.

We truly believe MIB differentiates itself from other conventional scientific events, by addressing a pivotal and dogmatic shift towards a more standardized, precise, and less invasive breast practice that will enable you to prioritize your patient's well-being even further.

Why attend?

- Innovation and the future: This congress offers a unique opportunity to discover the technological and methodological innovations that will shape the future of breast surgery.
- Live surgeries: Experience live surgical demonstrations performed by international experts, offering a real-time look at the most advanced techniques.
- Exclusive masterclasses: Participate in hands-on masterclasses led by world-renowned specialists, deepening your knowledge and refining your skills.
- Plenary sessions with international top experts: Engage with leading figures in the field as they share their experiences and insights on the evolving practices of breast surgery.
- This is a Non-profit meeting: All the overhead will be earmarked for research, scholars, and fellowships. These will be granted to the participants of the meeting, best papers, and true applications to the MIB association. This is our gratitude and our legacy to all the masters who shared their knowledge with us.

Set in the heart of Paris, the congress will be held in a warm and welcoming atmosphere. It will combine a high level of scientific excellence with an unparalleled opportunity for collaboration and exchange.

This congress is a rare opportunity to be at the forefront of medical innovation, to meet pioneers in breast surgery, and to enrich your practice with the tools and knowledge that will transform traditional approaches to oncologic, reconstructive, and Aesthetic surgery.

Looking forward to seeing you in Paris,

Congress Chairmen

Nicolas Leymarie, Charles Randquist, Benjamin Sarfati, Antonio Toesca

Timetable

FRIDAY, JUNE 6TH

	AUDITORIUM	PARALLEL ROOM Aesthetic Surgery MIB Masterclasses
8.30 - 11.00	LIVE SURGERY	
11.00 - 11.30	COFFEE BREAK	
11.30 - 13.00	Can we avoid....? (Part I)	Minimally Invasive breast augmentation
13.00 - 14.00	LUNCH	
14.00-15.00	Can we avoid....? (Part II)	Aesthetic scarless breast surgery
15.00-15.30	Technology and Breast Surgery	
15.30-16.00	Endoscopic and Robotic breast surgery (Part I)	
16.00 - 16.30	COFFEE BREAK	
16.30-17.30	Endoscopic and Robotic breast surgery (Part II)	Fat grafting in aesthetic breast surgery
17.30 - 18.30	Lymphatic surgery	

Scientific Programme

FRIDAY, JUNE 6TH

AUDITORIUM

Oncologic and Reconstructive Surgery Lectures

Live Surgeries

Aesthetic Breast Surgery Masterclasses

8.00-8.35 Registration

8.35-8.45 Welcome message

8.45-9.00 Keynote lecture:

The venue of minimally invasive in Breast Cancer Surgery

9.00-11.00 Live Surgeries 2 rooms

1. SP Monoport Robotic mastectomy and Immediate Breast Reconstruction
2. Endoscopic mastectomy and Immediate Breast Reconstruction

11.00-11.30 COFFEE BREAK

11.30-13.00 Session 1: Can we avoid.... ? (Part I)

Act 1 : Avoiding silicone implant :

1. Fat Grafting in the Breast :
 - What's New?
 - Fat baking
 - Fat engineering
2. Alternatives to Breast Implants : Are We Ready?
 - Discussion on new materials

13.00-14.00 LUNCH

14.00-15.00 Session 1: Can we avoid.... ? (Part II)

14.00-14.40 Act 2 : Avoiding mastectomy :

1. Second conservative surgery
2. Oncoplastic Pattern to avoid mastectomy
3. Sponge Scaffold for Breast Conservative Surgery
4. Local perforator flaps

14.40-15.00 Act 3 : Avoiding surgery :

1. No surgery in Breast Cancer?
2. Cryoablation for Breast Cancer

15.00-15.30 Session 2 : Technology and breast surgery

1. Augmented Reality for Tumor Localization
2. Use of Simulator for Breast Surgery Teaching
3. Nipple Areola Reconstruction : Tattoo etc.

15.30-16.00 Session 3 : Endoscopic and Robotic Breast Surgery

Act 1 : Endoscopic Breast Surgery

1. History and Literature review
2. Endoscopic surgery for mastectomy
3. Endoscopic surgery for breast conserving surgery

16.00-16.30 COFFEE BREAK

16.30-17.30 Act 2 : Robotic Breast Surgery

1. Do we have the data?
2. Multiport system
3. Singleport system
4. Robotic for lymphatic surgery

Act 3 : After the first surgery...

1. Revisions in minimally breast surgery
2. My worst results and why...

17.30-18.30 Session 4 : Lymphatic surgery

1. Avoiding lymph node surgery
2. Targeted sentinel
3. The use of fluorescein
4. Lymphatic Surgery: the Data

FRIDAY, **JUNE 6TH**

PARALLEL ROOM

**AESTHETIC SURGERY
MIB MASTERCLASSES**

MINIMALLY INVASIVE BREAST AUGMENTATION

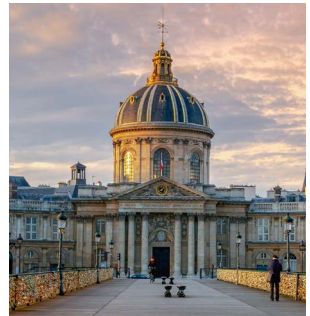

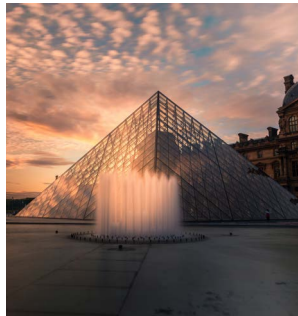

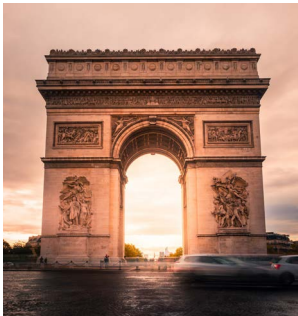

FAT GRAFTING IN AESTHETIC BREAST SURGERY

SCARLESS BREAST LIFT

Timetable

SATURDAY, JUNE 7TH

	AUDITORIUM	PARALLEL ROOM Reconstructive Surgery MIB Masterclasses
8.30 - 11.00	LIVE SURGERY	
11.00 - 11.30	COFFEE BREAK	
11.30 - 13.30	Minimal Invasive BA	Endoscopic Mastectomy
13.30 - 14.30	LUNCH	
14.30 - 16.00	Minimal Invasive breast reduction/ lifts	Robotic Mastectomy
16.00 - 16.30	COFFEE BREAK	
16.30 - 17.15	Data driven Tips and Tricks (Part I)	Oncoplastic Surgery
17.15 - 18.00	Data driven Tips and Tricks (Part II)	
18.00 - 18.15	CLOSING CEREMONY	

Scientific Programme

SATURDAY, JUNE 7TH

AUDITORIUM

Lectures Aesthetic Surgery

Live Surgeries

Oncologic and Reconstructive Breast Surgery Masterclasses

8.00-8.15 Keynote Lecture: What is MIB in aesthetic surgery?

8.15-8.30 Keynote Lecture: Breast Anatomy

8.30-11.00 Live Surgeries 2-3 rooms

1. Scarless lift
2. Tissue Preserving, TP BA Axilla, local anesthesia
3. Tissue Preserving, TP BA, IMF, local anesthesia
4. Tissue Preserving, TP BA with short scar Mastopexy, local anesthesia

COFFEE BREAK

11.00-11.30

Aesthetic Surgery Lectures

11.30-13.30 Session 1 : Minimal invasive BA

Why do we move to minimally invasive procedures ?

Through the inframammary fold

Through the axilla

Tissue preserving breast augmentations

TP- ABBA Tissue preserving breast augmentations

Evolution of fat grafting & Hybrid breast augmentation techniques

Fat grafting and Minimally invasive breast surgery

MIB part of Holistic patient care

Discussion

LUNCH

13.30-14.30

Aesthetic Surgery Lectures

SATURDAY, JUNE 7TH

AUDITORIUM

14.30 -15.40 Session 2 Minimal invasive Breast reduction/ lifts

Breast Reduction with liposuction
Short scar Mastopexy
Implant lift
Scarless lifts
New technology for Scarless breast lifts
Discussion

Key Note Lecture: The Ideal Breast Charles Randquist

15.40-16.00

COFFEE BREAK

16.00-16.30

Aesthetic Surgery Lectures

16.30-18.00 Session 3: Data driven Tips and Tricks (Part I)

16.30 -17.15

Breast Augmentation and fat grafting
Long term results for breast harmonization
Patient consultation : how to present the MIB surgery?
How to make the smallest scar for breast augmentation?
Discussion

Session 4: Datas driven Tips and Tricks (Part II)

17.15 -18.00

Antibiotics and implants ?
General or Local anesthesia pro/cons
Textured smooth pro/ cons
Pre pectorale or submuscular, pro/cons
Discussion

Closing Ceremony

18.00-18.15

SATURDAY, **JUNE 7TH**

PARALLEL ROOM

**ONCOLOGIC AND RECONSTRUCTIVE SURGERY
MIB MASTERCLASSES**

ENDOSCOPIC MASTECTOMY

ROBOTIC MASTECTOMY

ONCOPLASTIC SURGERY

General Information

CATEGORY	EARLY RATE (Within 1 st March)	LATE RATE (from 2 nd March)
DELEGATE	EUR 860	EUR 980
RESIDENT / STUDENT*	EUR 650	EUR 780

* PLEASE SEND WRITTEN DOCUMENT PROVING YOUR POSITION

SECRETARIAT

The registration desk, located at the entrance of the Congress Venue, will be open as follows:

Friday 6th June

7.30 am - 7.00 pm

Saturday 7th June

8.00 am - 7.00 pm

EXHIBITION

The exhibition area will be located in the room B (ground floor).

Participants are encouraged to visit the industry exhibition, which will be accessible for the duration of the congress and it is in the area where coffee breaks and lunches will be served.

SCIENTIFIC SESSION

All Scientific Sessions will take place in the auditorium on Level 1.

The conference hours are specified in the programme.

REFUND POLICY

In case of cancellation without replacement, the fee less handling charges of 150 EURO will be refunded, provided a written request is received by MZ Events before 1st April 2025.

No refund can be made if notice of cancellation is received after this date. Any refund will be made after the congress.

CERTIFICATES OF ATTENDANCE

Certificates of attendance will be sent by email at the end of the congress.

REGISTRATION PACKAGE

Registration package includes:

- Congress Kit
- Certificate of attendance
- Attendance to the scientific sessions
- Access to the exhibition area
- Meals as indicated in the programme

BADGES

Participants are requested to wear their badges at all time during the conference for admission to all the conference areas.

LANGUAGE

Official language is English. Simultaneous translation is NOT provided.

CLOAKROOM

A cloakroom will be available for clothes and luggage for the whole duration of the congress.

WI-FI

Wi-Fi will be available in the conference area.

INTELLECTUAL PROPERTY

During the conference, it is not permitted to film or take pictures of the speakers and/or their presentations.

Endorsements

Topics

Innovation and the future:

This congress offers a unique opportunity to discover the technological and methodological innovations that will shape the future of breast surgery.

Live surgery:

Experience live surgical demonstrations performed by international experts, offering a real-time look at the most advanced techniques.

Exclusive masterclasses:

Participate in interactive masterclasses led by International experts. Improve your knowledge and refine your skills and discover new techniques.

Plenary sessions with top experts:

Engage with leading figures in the field as they share their experiences and insights on the evolving practices of breast surgery.
